

Industrial/Factory Vaastu Consultation- 51000/-

Our Industrial/Factory Vaastu Services

We specialize in applying Vaastu principles to industrial and factory environments. Our consultation aims to enhance productivity, promote positive employee relations, and ensure the overall prosperity and stability of your business operations.

Pricing and Payment Terms

Our consultation fees are structured for clarity and fairness. The total cost is divided into stages linked with key milestones.

- **50% Advance Payment:** Due at the time of booking to confirm the consultation.
- **30% After Consultation:** Payable upon the completion of the industrial/factory Vaastu assessment.
- **20% After Implementation Support:** Payable after our final review and support for implementing the recommended changes.

Remedies & Implementation

Vaastu guidance often includes remedies to enhance harmony, prosperity, and balance. At Ankk Vigyann, our remedies are always simple, practical, and spiritually aligned.

- **Direct Payment Basis:** If remedies require specific items (e.g., yantras, crystals, specific placements), these are billed separately from the consultation fee.
- **Client's Arrangement:** Clients may also choose to independently source and arrange remedies based on our recommendations.
- **Guidance-Oriented:** The remedies we suggest are recommendations. Their implementation depends on the client's preference and feasibility.

General Terms

- **Additional Services:** Any consultation or services outside the agreed-upon package will be quoted and charged separately.
- **Confidentiality:** All client information and consultation details will be kept strictly confidential.
- **Liability:** Our services are for guidance purposes only. The client is responsible for all final decisions and actions taken based on our recommendations. We do not guarantee specific outcomes.
